

PENSION FUND
Post Retirement Death Benefit
DESIGNATION OF BENEFICIARY

STEAMFITTER

(Construction Trades Branch)

SERVICE FITTER

(Metal Trades Branch)

The Pension Fund provides a death benefit for all retired participants. Please complete the areas below to designate your beneficiary. Failure to name a beneficiary could delay payment of this benefit. The beneficiaries on this form will supersede any beneficiaries previously named for this benefit.

You may designate anyone as your beneficiary. Should you wish to name more than one beneficiary, please be sure to allocate the correct percentage of the benefit to be paid to each beneficiary. Please be advised that contingent beneficiaries are **ONLY** paid if Primary Beneficiaries are deceased or decline to accept the benefit.
